

Apprenticeships

Find out how you can start your career with The Bristol Port Company

Bristol Port searches for new apprentices on an annual basis to join our busy and thriving Port. With opportunities in IT, Engineering Maintenance, Operations or Engineering Apprenticeships. The gateway for future apprentices is here! There are 4 specialisms to choose from: Engineering, IT, Building Services and Port Operations apprenticeships, leading to a National Vocational Qualification (NVQ) and an exciting career—many of our apprentices have gone on to progress to leadership and managerial levels.

Bristol Port has a dedicated training centre, providing hands on training and support throughout the apprenticeship.

Benefits include:

- Clear career path with excellent prospects
- First class on site training provision
- Salary rising to £31k on completion
- Annual profit related pay scheme bonus
- Subsidised canteen through voucher scheme
- 25 days' annual leave plus Bank Holidays
- Generous pension scheme
- Team trips – sailing, Outward Bound.
- Environment and charity work
